

Full Frame Holding System

NEW
From
Mo-Clamp

Mo-Clamp's new Full Frame Holding System is easy to set up and use. Six simple to use pieces fit ALL full-frame SUV, light truck and van frames. The system works with the frame rack's existing pinch-weld clamps and supports a full 10-ton pull. Includes support straps to ensure a secure and safe pull. Made from forged steel alloy - engineered and tested to Mo-Clamp standards and covered by the Mo-Clamp "Forever" warranty.

#4070 Full FRM HD SYS

- Fast one-man 20-30 minute set-up
