

# Mo-Flex™ Slings

MoClamp pioneered the use of slings in collision repair in the early 1980's. We now add to our existing product line with **Mo-Flex Slings**. Certain configurations can handle up to 10,000 lbs. Tough, extremely flexible and form fitting for a more uniform load distribution, they provide protection against damage chains can cause, in certain applications. Made in the USA to Mo-Clamp's exacting standards and covered by the Mo-Clamp "**Forever**" warranty.\*
